

SRISHTI MEHROTRA

Talent Acquisition Specialist | HR Operations | AI-Augmented Recruiting & People Analytics

Bengaluru, Karnataka • +91 9627610364 • srishtimehrotra12@gmail.com • linkedin.com/in/srishtimehrotra

PROFESSIONAL SUMMARY

Talent acquisition professional with 2+ years across startup and corporate environments, specializing in full-cycle technical and non-technical recruitment, pipeline analytics, and AI-augmented sourcing. Reduced time-to-hire by up to 30%, achieved an 80% candidate-to-requirement match rate, and maintained 100% documentation compliance across 150+ hires. Built RecruiterCopilot, an independent AI-powered resume screening tool, to apply data-driven and AI methods to recruitment workflows. MBA (HR) graduate seeking to bring quantified recruiting impact and applied AI fluency to a talent acquisition or HR analytics role.

CORE SKILLS

Talent Acquisition: End-to-End Recruitment, Stakeholder & Role Requirement Gathering, Outbound Sourcing, Boolean Search, Resume Screening, Interview Coordination, Offer Rollout, Pipeline Management

AI & Recruiting Technology: AI-Augmented Sourcing & Screening (ChatGPT, Copilot, Gemini), Built RecruiterCopilot (AI resume screening tool), ATS — Freshteam, TurboHire; HRIS — Darwinbox, Keka, Zoho HR; LinkedIn Recruiter, Naukri

HR Operations & Analytics: Onboarding, Statutory Compliance (PF/ESIC), HR MIS & Reporting, Excel & Google Sheets (VLOOKUP, Pivot Tables, Dashboards), Performance Management Support

Core Strengths: Stakeholder Management, High-Ownership Execution, Cross-Functional Coordination, Data Integrity & Confidentiality

WORK EXPERIENCE

HR Intern

Apr 2026 – Jun 2026

Leap, Bengaluru

- Owned end-to-end recruitment cycles — partnering with hiring managers to gather role requirements, leading outbound sourcing, candidate screening, interview scheduling, and offer rollout through to joining.
- Sourced and screened candidates across LinkedIn and Naukri, building and maintaining talent pipelines for ongoing hiring needs.
- Managed ATS tracking and pipeline creation using Freshteam and TurboHire, with working familiarity in Keka, ensuring 100% data accuracy and audit-ready documentation.
- Built and maintained Google Sheets and Excel-based HR MIS dashboards, enabling data-driven recruitment reporting and pipeline visibility.
- Coordinated interview logistics across multiple stakeholders, reducing scheduling turnaround time.

HR Intern

Jun 2025 – Aug 2025

Lyfe LLC (Lyfe Hardware), USA – Remote

- Executed full-cycle recruitment for niche technical roles (ERPNext Specialists, Technical Engineers, Senior Designers), sourcing 150+ candidates across LinkedIn, Behance, Reddit, and OnlineJobs.ph.
- Reduced time-to-hire by 30% through proactive pipeline-building, structured follow-up cadences, and Boolean search techniques.
- Achieved an 80% candidate-to-requirement match rate by designing targeted screening rubrics aligned to technical and cultural fit criteria.
- Drafted and optimized job descriptions using AI writing tools (ChatGPT, Copilot), improving search visibility and reducing irrelevant applications.
- Managed end-to-end interview scheduling, HR screening calls, and offer follow-ups; maintained ATS records with 100% accuracy.

HR Assistant

Aug 2021 – Nov 2021

Anveshan, Gurugram

- Managed 15–20 interview cycles per week across IT and non-IT roles, reducing time-to-hire by 20% through streamlined scheduling and coordination.

- Designed and facilitated onboarding and induction programs for new hires, ensuring compliance documentation and a positive joining experience.
- Maintained 100% statutory compliance across employee documentation, offer letters, and background verification.
- Processed monthly leave and absence records for 20+ employees, supporting payroll coordination and HR MIS reporting.

Associate Editor

Dec 2021 – Jul 2023

TNQ Technologies Pvt. Ltd., Chennai

- Proofread and edited 10,000+ pages with 99.9% accuracy across grammar, formatting, and technical terminology.
- Delivered 50+ articles weekly against tight SLA deadlines while mentoring junior editors and maintaining documentation consistency across multi-document client projects.

PROJECTS

- RecruiterCopilot — AI-Powered Resume Screening Tool: Independently designed and built an AI-powered resume screening application to apply AI-driven methods to recruitment workflows, demonstrating applied HR technology capability beyond standard tool usage. Live at RecruiterCopilot.

CERTIFICATIONS

- Generative AI in HR — SHRM
